

## **Vestry Policy on Smoking in Parish Buildings**

Smoking is prohibited at all parish events in the Parish Buildings.

Cigarette smoking is permitted at non-parish events—such as A.A. meetings, etc. —in the Great Hall (except on the stage), the kitchen, and the rotunda. Under no circumstances may there be smoking at any time in the Guild Room, the sacristies, the Parish offices, the Parish Library, or the Parish classrooms. Cigar smoking is prohibited at all times and all places in the Parish Buildings.

St Paul's Building Blocks Preschool, Housing Helpers, Inc., and PeopleCare, Inc. may make and implement their own smoking regulations within their own designated office or classroom space.

The Rectory and the Sexton's apartment, as personal residences, are exempt from these regulations.
